Welcome To The Beckford Inn

Wonderful news you are getting married, this is an exciting time and we would love to help you on your journey to a happy married life.

The Beckford Inn is an award winning beautiful country inn, dating back to 1751 and we have helped many couples plan their special day and are all really excited to do the same for you.

We are renowned for our modern British food, using only the finest, freshest local

produce. We welcome you with superb friendly service and professionalism and look forward to bringing our experience and passion to helping you plan your wedding, and making your very special day totally individual and unique to you.

The Beckford Inn is ideally located for you and your guests with plenty of parking. We're just 5 minutes from the M5 junction 9, 6 miles from Tewkesbury on the main A46, highly visible from the road but also set back in our own beautiful green fields. The Beckford Inn is close to Evesham, Cheltenham, on the northern edge of the beautiful Cotswolds & not far from Stratford Upon Avon or the Malvern Hills.

With 4 ½ acres and beautiful gardens we have several options for your wedding. For a larger event we offer a Grand Marquee for up to 160 with dance floor & Starlite Canopy, bar and much more.

We also have a separate elegant function room – The Bredon Room, which is also licensed to perform Civil Ceremonies or to hold smaller parties and weddings for up to 60 people.

Your plan of action.

- 1) Firstly and as early as you can, contact us & check availability.
- 2) The next step is to come in and talk to our specialist Wedding Planner. She will make an appointment to sit down & discuss your special day, show you around and help in any way to make sure we can give you the perfect wedding.
- 3) If at this point you decide to choose The Beckford then we will fill in some paper work & take a deposit. We also suggest you take out insurance cover to protect your wedding.
- 4) Then comes the fun bit, choosing your menus, wines, champagnes & all of the other little things that can make your day so special. This often takes several visits & phone calls - that is just as it should be, we want you to take your time and get everything right.

Civil Wedding or Religious

- the choice is yours!

The Bredon Room, our elegant function room is licensed for civil weddings and if this is for you, then we are happy to help, the room is capable of holding 60 people for the ceremony but our Grand Marquee can take up to 160 for a larger reception after. The Bredon Room service will be non-religious & is licensed by Worcestershire Register Office, for more information contact them on Tel: 008456032859 or email: registeroffice@worcestershire.gov.uk or view their web site: www.worcestershire.gov.uk/registration

If you wish to have a Religious ceremony elsewhere, that is absolutely fine there are many beautiful local churches, we will leave you to organise that! But we will be waiting to welcome you & your guests for the rest of your celebrations on your special day.
